BISHOPS' ANNUAL MEETING

DECISIONS

Gathered in annual meeting at the Jesuits House, Mirador Hill, Baguio City, January 19 - 24, 1970, the Catholic Bishops of the Philippines deliberated on vital matters, among them: the new liturgical reforms; Church support of a non-partisan, intelligent, peaceful and orderly election of delegates to the forthcoming Constitutional Convention and cooperation with different groups in formulating Constitutional reforms; social action; the problem of population; the priestly life; the formation of Pastoral Councils; education and youth's role in our society; support for a continuing dialogue among the people of God, and ecumenical activities.

Special feature of this year's meet was the election of a new Administrative Council of the Catholic Bishops' Conference of the Philippines (CBCP) the official organization of the Philippine Bishops, and also the election of members of fifteen Commissions.
